

2016 Shoreview Green Community Awards

The City of Shoreview is a great place to live. Our clean environment and general quality of life helps attract and keep new residents and businesses. The City has a tradition of environmental concern and involvement by its citizens.

The Green Community Awards began in 2007 as a program to find, recognize and reward residential, non-profit and commercial property owners that demonstrate Best Management Practices (BMPs) for water quality.

The City of Shoreview Environmental Quality Committee has expanded the award program to recognize individual and corporate efforts in three general areas:

- Water
- Energy, and
- General Initiatives

The goal of the program is to inform, motivate, and educate Shoreview residents by highlighting conservation practices that display innovation, conservation leadership, and activities that can be expanded to a larger number of households or businesses in Shoreview.

TIMING:

Application deadline May 31, 2016 POSTMARK DATE

Selected applicants notified July 2016

Winners will be recognized by the Shoreview Mayor, City Council and Environmental Quality Committee during a City Council meeting in late August or early September, 2016.

ELIGIBILITY: Residential, Commercial or Non-profit Organization properties located in Shoreview are eligible. Properties must be in full compliance with city ordinances.

JUDGING: The judges make their selections based on information provided on the application form, as well as from photos and site visits for finalists. Many activities will be considered. In addition to the current best management practices for water quality, the new program will also consider improvements such as the installation of renewable energy (geothermal, solar, or wind), switching to off-peak energy use, innovative or effective recycling and composting efforts, green remodeling, and other personal or corporate behaviors that demonstrate leadership and commitment to improving our environment.

AWARDS: Winners will receive an attractive Shoreview Green Community Awards sign to be placed on their property and recognition at the 2016 Slice of Shoreview and during a City Council meeting in late August or early September.
